Letter dated 28 September 2004 from the Permanent Representative of the Sudan to the United Nations addressed to the President of the Security Council

Referring to my letter of 27 September 2004 (S/2004/769), regarding the ceasefire violations by the rebels in Darfur, I have the honour to bring to your attention the following new violations of the ceasefire agreement:

1. On 26 September 2004, about 300 rebels, using eight landcruiser pick-up cars, raided the town of Abu Karinka. They killed 13 civilians and policemen, looted the premises of the Zakat Chamber and the water station and captured two trucks, one 120 millimetre gun and one B-10 gun.

2. On 26 September 2004, a group of Darfur rebels attacked a camp of Arab nomads, north of Nyala, captured a herd of camels (around 100), killed the owner of the herd and injured one person.

3. On 27 September 2004, the rebels attacked the village of Manawashi, on the main road between Alfasher and Nyala and injured four policemen.

4. On 28 September 2004, a police force, dispatched to evacuate the victims of the attack on Manawashi, was ambushed by the rebels in the area between Manawashi and Dumma.

I would appreciate if you could kindly circulate the present letter as a document of the Security Council.
